

WorldHope Corps Giving Catalogue 2023

***A donation of any amount**
helps on-the-ground community projects in USA, Malawi, and Uganda.*

To direct your funds to where you see the greatest impact, please review the initiatives below with their estimated costs, and indicate your intended purpose when you [donate](#).

Water & Sanitation

A New Deep Water Well

Your donation will drill one deep water well in a rural village in Northern Malawi where potable water is a life-saving gift. \$500 of your donation will be reserved for routine well maintenance.

\$10,500

For one well

Well Maintenance Project

Since 2007, WHC + affiliate partners have drilled over 80 wells. In 2022, we began a well maintenance circuit and will carry on with maintenance and repairs in 2023 to ensure continued use of these deep wells

\$750

To fund one well visit and required maintenance

Education & Training

Hope Scholarships

Hope Scholarships are awarded to high potential students attending vocational programs, secondary schools, university, or professional development courses through our partner, Northwind Institute. Students can apply [here](#)

\$400

For one professional development course for a deserving student

\$1,000

For one semester for a deserving university student in Uganda or Malawi

ABCD Training

Community leaders are trained in the principles of **ABCD**: (*Asset-Based Community Development*) which allow local leaders to mobilize committed community members to create real, lasting, positive change in their communities.

\$150

For sponsoring one community leader's ABCD training

Economic & Community Development

Women's Empowerment

Your donation will train a young woman in Jinja, Uganda, in financial management and small business practices through the local Women's Empowerment Group and co-op.

\$100

For one woman to go through an empowerment and financial management workshop

Coffee Co-Op

With our partners, [Thanksgiving Coffee](#) and WorldHope Corps Uganda, we represent, support and train multi-faith, direct-trade coffee farmers in Jinja.

\$100

To support one farmer's community development training

Staff Support

To do this work, we must invest in local leadership. Please support the on-the-ground WHC staff and volunteers by providing regular income and professional development

\$1000

To support staff stipends and expenses for 1 month

Special Projects for 2023

Mission Trip to Uganda

Your donation will subsidize one member of the international training team of 7 from the USA and Africa to perform specialized community training in Uganda in June 2023
